ABOUT THE AUTHOR

Angela wants to recognize and embrace her spiritual gifts to motivate and inspire, counsel and coach girls with the intent to help them overcome obstacles and reach their goals. Her wish is to make a positive difference. Angela believes every girl is unique and should not be impetuously labeled based on one-dimensional classifications of behavior or actions.

Ms. Harris found ALHsuccesslines and wrote her books to offer girls inspiration, leadership skills and positive solutions on their road to success. She wants to lead them to embrace opportunities, to focus on strengths not weaknesses and to discover and rediscover their true gifts for living.

Through Angela's compilation of work, she aims to be instrumental in moving girls along the path to success in life.
